Honorable Juliet Griffin
Petition for Action on
BROOKS, Jalissa
Case No. 3:13-CR-00208-03
November 20, 2013

On October 16, 2013, the above referenced defendant was arrested in the Middle District of Tennessee, on a seven-count Indictment which charged her with the following counts, to wit:

- Count 1: Conspiracy to Commit Hobbs Act Robbery, in violation of 18 U.S.C. § 1951;**
- Count 6: Hobbs Act Robbery, in violation of 18 U.S.C. § 1951; and**
- Count 7: Carry and Brandish of a Firearm During and in Relation to a Crime of Violence, in violation of 18 U.S.C. § 924(c)(1)(A).**

On the same date, the defendant appeared before Your Honor for an Initial Appearance. The Government sought detention, and a detention hearing was scheduled for October 21, 2013.

On October 21, 2013, the Court determined there were conditions that would allow for the defendant's release and thus, Ms. Brooks was ordered released on a personal recognizance bond with pretrial supervision.

Special Conditions of Release:

Please reference the attached Order Setting Conditions of Release.

VIOLATION(S):

Violation No. 1: Refrain from the use or unlawful possession of a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner; defendant shall notify Pretrial Services of any medication prescribed by a physician:

On October 21, 2013, the defendant reported to Pretrial Services for her initial intake. At that time, she submitted a urine sample that was submitted to Alere Laboratories, located in Gretna, Louisiana, and was confirmed positive marijuana. Ms. Brooks admitted she had smoked marijuana prior to her arrest for the instant federal offense.

On November 13, 2013, Ms. Brooks submitted a urine sample that was confirmed positive for the presence of marijuana. She admitted she smoked marijuana on November 11, 2013.

On November 20, 2013, the defendant again submitted a urine sample that was positive for

marijuana. She advised she has not used the substance since November 11, 2013.

Violation No. 2: Refrain from obstructing or attempting to obstruct or tamper, in any fashion, with the efficiency and accuracy of any prohibited substance testing which is required as a condition of release.

On November 13, 2013, the defendant initially submitted a diluted urine screen. She was instructed to remain in the U.S. Probation and Pretrial Services Office and eventually provided a normalized urine sample.

Current Status of Case:

As of this date, no trial date has been set in this matter.

Probation Officer Action:

This officer has continued to encourage the defendant to remain drug free, and on October 21, 2013, Ms. Brooks was placed in Phase 6 of the U.S. Probation Office's Code-a- Phone program, a program whereby defendants call daily to ascertain whether they need to report to the U.S. Probation and Pretrial Services Office to submit a urine screen.

Ms. Brooks was also referred for a substance abuse assessment and informed that she would be required to participate in any recommended drug treatment.

On November 20, 2013, Ms. Brooks signed the paperwork necessary for her to participate in substance abuse treatment twice per month.

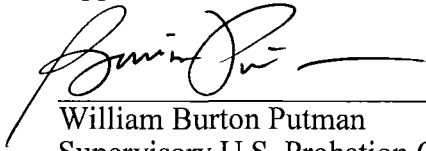

Respectfully Petitioning the Court as Follows:

The defendant tested positive for marijuana at the time of her initial intake and was informed that she cannot use illicit or nonprescribed substances while on supervision. As previously noted, Ms. Brooks admitted to this officer that she smoked marijuana on November 11, 2013, because she was "stressed out." Ms. Brooks completed a substance abuse assessment on November 15, 2013, and treatment was recommended. Thus, Pretrial Services respectfully recommends that no action be taken at this time to allow Ms. Brooks time to commence substance abuse treatment. The defendant has been informed that, should she continue to use marijuana or any other illegal substances, the Court will be notified of her noncompliance, and her bond may be revoked.
